Education

GEORGIA INSTITUTE OF TECHNOLOGY

May 2027

Bachelor of Science in Computational Media

- Concentrations in Interaction Design and Human-Computer Interaction

Experience

DESIGN CHAIR, *Asian American Student Association (AASA)*

August 2024 - Now

- Design graphics & flyers about activities & to spread awareness after revising with design team members.

DESIGN BOOTCAMPER, *Bits of Good (Hack4Impact Chapter)*

August 2024 - Now

- Participate in a 10-week UX/UI design bootcamp where I learn essential skills about how to improve users' digital interactions by creating a case study & presenting it at a design expo.

VISUAL DESIGNER, *Northview Environmental Club*

August 2021 - May 2023

- Designed graphics to promote & educate students for social media & merchandise, helped plan meetings & activities, organized fundraisers, and photographed activities. Fundraised \$1,013, and recruited 100+ members.

SOCIAL MEDIA MANAGER, *Feminism Empowers Me (FEM)*

May 2022 - May 2023

- Designed content to promote & educate feminism, helped plan events, organized fundraisers & donation drives, and photographed activities. Donated 407 items, and recruited 100+ members.

PRESIDENT/FOUNDER, *Care for Hope*

August 2019 - May 2023

- Created an organization that recruited volunteers for the disabled (special needs children & senior centers) by organizing events, leading meetings, designing a website, and managing social media accounts (designing graphics for posts, & photographing events).

VOLUNTEER TEACHER, *True Love for Special Needs Children*

June 2018 - May 2023

- Taught art, social skills, reading, & math classes for disabled kids online & in person for over 400 hours.
